REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Guided by our mission to improve the quality of life for children with multiple disabilities by providing a comprehensive educational program that integrates educational curricula with functional rehabilitation instruction to maximize the potential and well-being of the child, and to ensure family inclusion, PACE is completing its third year.

PACE employs four highly qualified special education teachers, and eight teaching assistants who are dedicated to our students. Every student at PACE receives PT, OT, and Speech on a weekly basis. The students participate in weekly art and music programs provided by a grant. Although PACE has two buses provided by private donors, the financial capability to run the program as visioned is limited by the expense of transportation to and from school.
